HEART OF THE TETON RANGE

APRIL 2023

ALEX TAIT NATIONAL GEOGRAPHIC SOCIETY
Why another map?

• Map for climbers!
• Larger scale than any others, 1:12,500
• Accentuate the drama of the highest peaks and their physical features
• Primarily for planning and the wall, okay for use in the field
Heart of the Tetons Range
HEART OF THE TETON RANGE

1:12,500 scale and 1m DEM
NG Trails Illustrated
Challenges
Hypso vs. Landcover
HEART OF THE TETON RANGE

[hypso v land cover]
Terrain shading
HEART OF THE TETON RANGE
Contour and graticule
**Plans**

- Finish the production...
- Review by cartographers, climbers, park
- Add more climber content (routes, access trails, campsites)
- Forest cover pattern?
- More info in the title block?
- Add UTM grid?
- Distribution!
THANKS!
